MEMO ENDORSED

**Re: Noboa, Otis v. Cory Harris, MD
Case No. 1:20-cv-06871
Our File No.: 19-002141**

Dear Judge Parker:

This office represents the Plaintiff, Otis Noboa, in the aforementioned medical malpractice action which is scheduled for a settlement conference before Your Honor on January 25, 2023. I am writing with the consent of my adversaries, counsel for Defendants the United States of America and Scott Boruchov, MD, to request that the upcoming settlement conference be postponed to a later date. This is because Defendant Boruchov requested additional time to serve expert reports which was granted by Judge Wang. The Defendants now have until March 17, 2023 to serve their reports.

The Plaintiff would like the opportunity to review all of the defense expert reports before engaging in settlement discussions. To date, none have been received. Thus, we respectfully request that the settlement conference presently on for January 25, 2022, be adjourned to a date until after March 17, 2023. We would be happy to have a conference call with the Court to discuss scheduling, if the Court deems that to be appropriate.

Thank you for your consideration of this matter.

Respectfully,
Christina Ctorides
